Dear Carl

#### **LEARN TO EARN ACKNOWLEDGEMENT OF DONATION AND THANKS**

We are very grateful for Just Trees' support of Learn to Earn and would like to thank you for the donation of ten trees kindly delivered to us this week. The trees will be planted at our new Head Office in Claremont as well as at the newly extended training centre in Khayelitsha. Please refer to the attached newsletter for some background information as well as photographs of these developments.

On behalf of all Learn to Earn staff and students, we wish everyone at Just Trees a wonderful Christmas and a very happy New Year. Thank you for partnering with us for a better (and greener!) future.

- Our approach is holistic as life skills training and business skills training are integral to all courses
- Learn to Earn generates 40% of its own income through its Business Resource Centre (BRC) and TFG Project (The Feel Good Project)
- Have branches in Khayelitsha and Hermanus (Western Cape), with nationwide impact through our Association Member Network
- Our programmes are open to anyone who is unemployed (irrespective of race, gender or religious background)
